

COMPANY PROFILE

VANTEX, established in 1987, in this field of Home improvement products, traditional hardware products, power tools & accessories, Hobby tools, woodworking hand tools, everybody knows us --- Vantex is a specialty with thorough and advanced know-how.

We are not only a trading company but also a products developer & designer, as we keep developing world-class products with our regular customers and design our own proprietary products as well as OEM products under all kinds of manufacturing processes.

Meantime, always guide the local factories to up-grade their level with lower manufacturing cost to share benefits with our clients and outgo other low-wage countries. So that, we have built up our branch offices in Ningbo and Canton of China since 1998 to enhance our sourcing ability.

2004 year, we set up one more office to handle all precision ball bearing drawer slide programs & OEM products in Taiwan and China.

2005 year set up our branch office in USA to provide more aggressive services for our overseas customers in America and Europe.

Our goal is to create the mutual benefits between our customers and suppliers, So that, I would like to invite you to join the list of our potential customers to share all our thorough know-how and product lines in this field.

Your Sincerely,

Vance Chiang
